

Modern Rehabilitation & Recuperation

at The Windsor Place Skilled Nursing & Rehabilitation Center | Columbus, Mississippi

Plantation Pointe Rehabilitative Care delivers quality clinical results, by encouraging motivation while maintaining the highest level of functionality. All rehabilitation services are organized and delivered thru a detailed plan of care.

REHABILITATION at The Windsor Place

The professionally staffed therapy department of The Windsor Place Skilled Nursing and Rehabilitation Center, the most modern, largest, and best-equipped rehabilitation facility in The Golden Triangle--teaches and trains patients to regain strength and mobility after hospitalization.

All rehabilitation services are organized and delivered through a detailed plan of care. Patient "Care Plans" are guided by an interdisciplinary team of Physicians, Nurse Practitioners, Physical

Therapists, Occupational Therapists, and Speech Pathologists. Rehabilitation Care at The Windsor Place Skilled Nursing and Rehabilitation Center is available seven days-a-week.

The Windsor Place features a large, modern, and well-equipped facility with Universal weights, NuStep machines, and state-of-the-art computer therapy programs.

Professional rehabilitation services include Physical Therapy, Occupational Therapy, and Speech-Language Pathology.

Physical Therapy rehabilitation concentrates on mobility, strengthening, balance, and coordination. The Windsor Place physical therapists use

specialized equipment designed to reeducate muscles and teach patients how to take care of themselves at their highest practical/functional level.

Speech-Language Pathology is led by licensed and certified Speech-Language Pathologists. Neuromuscular Electrical Stimulation and specialized care for Aphasia, Dysarthria, Speech Disorders, Language/Thought Processing, & Swallowing Disorders are available individually and in group therapy sessions.

All occupational therapy programs focus on independent living and self care initiatives that are fundamental to a productive life, home independence, personal accomplishment, and safety.

The Windsor Place Skilled Nursing and Rehabilitation Center is located on the campus of Plantation Pointe Retirement Community. Plantation Pointe is located on the East side of Highway 82 East, between Highway 50 and Lehmborg Road, in historic Columbus, Mississippi.
